MESSAGE FROM THE PRESIDENT

Dear esteemed guests,

On behalf of the Rotary Club, it gives me great pleasure to welcome each and every one of you to our charter night celebration. This is a momentous occasion for us as we mark the establishment of our club and the beginning of our journey to serve our community.

As Rotarians, we are committed to making a positive impact on the world around us. We believe in the power of service and the difference that we can make when we work together towards a common goal. Our club is made up of individuals from diverse backgrounds, all with a shared passion for service and a desire to make a difference.

Tonight, we celebrate the hard work and dedication of our members who have worked tirelessly to make this club a reality. We also look ahead to the many opportunities that lie ahead for us to serve our community and make a positive impact.

I would like to take this opportunity to thank our sponsors, partners, and supporters who have contributed to our success. Without their generosity and support, we would not be here tonight celebrating this milestone.

So let us raise a glass to the Rotary Club and to the power of service. Together, we can make a difference and create a better world for all.

Thank you and enjoy the rest of the evening.

Sincerely,
Rtn. Ramesh B Ramgurwadi
